

E Power

TOMCHRASKY WIND FARM PUBLIC EXHIBITION

E Power Limited is holding a public information session regarding the proposed Tomchrasky Wind Farm and associated infrastructure (including battery storage) located at Tomchrasky, Glenmoriston, nearest post code; IV63 7YN, Grid Reference (Easting 222620, Northing 813817).

**These exhibitions will be held at the
Glenmoriston Millennium Hall,
Invermoriston, IV63 7YA on:**

- **31st August 3-6pm**
- **21st September 3-6pm**

This is in accordance with Electricity Act 1989 – sections 36 and 37: applications guidance.

Information about the proposal will be on display and project representatives in attendance to answer any questions.

All information available at the event will also be available online at <http://www.tomchraskyinfo.co.uk/>.

In addition, information already submitted to the Energy Consents Unit can be found on the planning portal using the reference; ECU00002164

Pre-application comments and queries can be shared with the project team by way of a feedback form on the day of the event or posted to; E Power Ltd, 15 Pitreavie Court, Pitreavie Business Park, Dunfermline KY11 8UU; or by phone to 0141 212 7123 for a further 30 days from the last event until 21st October 2022. Statements made to the project team are not formal planning representations. If a planning application is subsequently submitted to the Scottish Government Energy Consents Unit, then there will be an opportunity to make a direct representation to the ECU during the 12 week consultation period.
