

COMING SOON TO DUNDEE 2021...

...OPERA FESTIVAL SCOTLAND !!

The first festival in Scotland completely dedicated to Opera!

This exciting 2.5 day event will take place across stunning Dundee venues in September 2021, including the Caird and Marryat Hall.

Opera Festival Scotland has been created to not only unite opera lovers from around the country, but also to showcase how diverse opera is, and to show you do not need to be a musician or singer to get involved in opera.

With various performances, competitions, and a strong emphasis on educational workshops for school aged children, this festival is for anyone and everyone.

This is an exciting opportunity to promote creativity in Dundee and attract visitors to our great city.

All details of the festival will be announced publicly during our launch event in March of this year, after which all details can be found on our website. www.operafestivalscotland.co.uk

In the meantime, if anyone would like to get in touch to offer support or would like to get involved, please contact:
