

THE HIGHLAND COUNCIL

The Council has made **The Highland Council (Castle Wynd, Inverness) (Temporary Closure) Order (Amendment Number 3) Order 2020** under the Road Traffic Regulation Act 1984, and related legislation, to temporarily prohibit traffic from using the U3831 Castle Wynd, Inverness, commencing at its junction with Bridge Street (B861) and extending in a southerly direction to its termination a distance of 89 metres or thereby. The prohibition is required to enable works to safely proceed and will apply to the whole, or a part of the road, when a prohibition is identified by means of one or more of the appropriate temporary traffic signs as prescribed in the 'Traffic Signs Regulations and General Directions 2016'. The closure was scheduled to finish by 18:00 hours on Monday 1 June 2020, but a further extension to the closure period is now required as work has been suspended in accordance with the guidance issued in respect of coronavirus. Once work on site resumes, the road will have to remain closed to enable the completion of this project. The Order shall come into effect at 18:00 hours on Monday 1 June 2020 and shall remain in force until 18:00 hours on Tuesday 30 June 2020 inclusive. A further review may be necessary and will be subject to future government guidance.
