

THE HIGHLAND COUNCIL

The Council has made **The Highland Council (Various Roads In The Crown and Hill Districts Of Inverness) (Temporary Closures) (Amendment Number 1) Order 2021** under the Road Traffic Regulation Act 1984, and related legislation, to temporarily prohibit traffic from using various roads in The Crown and Hill Districts of Inverness. These roads are as listed in the original order (The Principal Order) titled **The Highland Council (Various Roads In The Crown And Hill Districts Of Inverness) (Temporary Closures) Order 2021** and the road closures are required to enable fibre optic cable installation works to safely proceed and will apply to the whole, or a part of the road, when a prohibition is identified by means of one or more of the appropriate temporary traffic signs as prescribed in the 'Traffic Signs Regulations and General Directions 2016'. The Principal Order was scheduled to finish by 18:00 hours on Friday 30 April 2021, but an extension to the closure period is now required as progress has been slower than expected. This extension is required to enable the completion of the project. The Order shall come into effect at 18:00 hours on Friday 30 April 2021 and shall remain in force until 18:00 hours on Saturday 15 May 2021 inclusive.
