

NOTICE OF PUBLIC EXHIBITION

BEAULY BATTERY STORAGE

PRE-APPLICATION PUBLIC EVENT

The Town and Country Planning (Development Management Procedures) (Scotland) Regulations 2013

Proposal: A battery energy storage system located within an area of reclaimed quarry.

Proposed location: Land within the Balblair Quarry area, Beauloy Lovat Estates Limited would like to present a proposed battery energy storage system within Balblair Quarry, Beauloy, for public consultation. Information about the proposal will be made available at the exhibition.

You are invited to attend a public exhibition taking place with the following date and location:

Date: 02/10/2023

Time: 4pm – 8pm

Venue: Ground Floor, Former Bank of Scotland building, High Street, Beauloy, Inverness-shire, IV4 7BS
The public exhibition will be in the form of an informal drop-in session where members of the design team will be on hand to answer any questions which may arise. For more information relating to this event please contact James Lightbody, Natural Power Consultants Ltd via email at: jamesl@naturalpower.com

Any comments on the proposal made at these events are not representations to the consenting authority. If Lovat Estates Ltd submits an application, there will be an opportunity to make representations on that application to the planning authority.
